Social / **18**
Governance / **22**

Dear reader,

Recently, the first Czech banks published their non-financial reports in line with the Corporate Sustainability Reporting Directive (CSRD). In this document we summarize the key published data allowing you to benchmark non-financial information, data and commitments of the following banks:

Air Bank
Banka CREDITAS
Česká spořitelna
J&T BANKA
Komerční banka
MONETA Money Bank
Raiffeisenbank
UniCredit Bank

- Il banks report in their consolidated sustainability report for the entire banking group.
- The figures for Air Bank and UniCredit represent consolidated data covering operations in both the Czech Republic and Slovakia.
- As ČSOB has reported only on KBC Group NV consolidated level, it is not included in our benchmarks.

Total energy consumption of the bank

MWh

Share of resources in total energy consumption

%

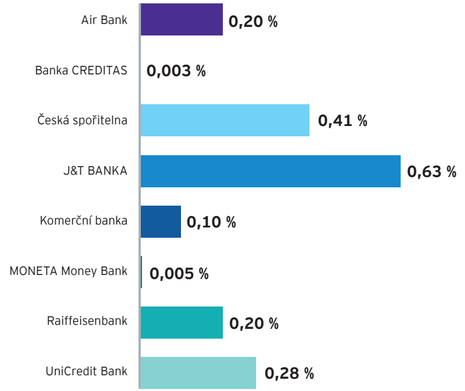

For Electricity sector, majority of banking financing is GREEN

Negligible GAR in banks so far

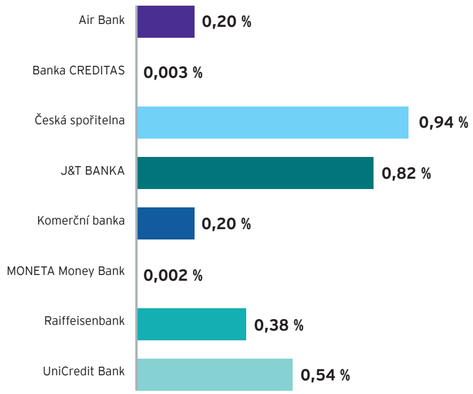

Green asset ratio KPI Turnover

%

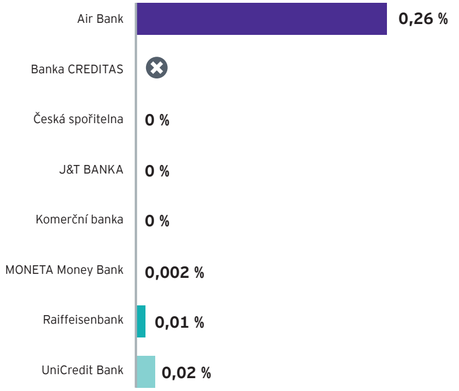

Green asset ratio KPI CapEx

%

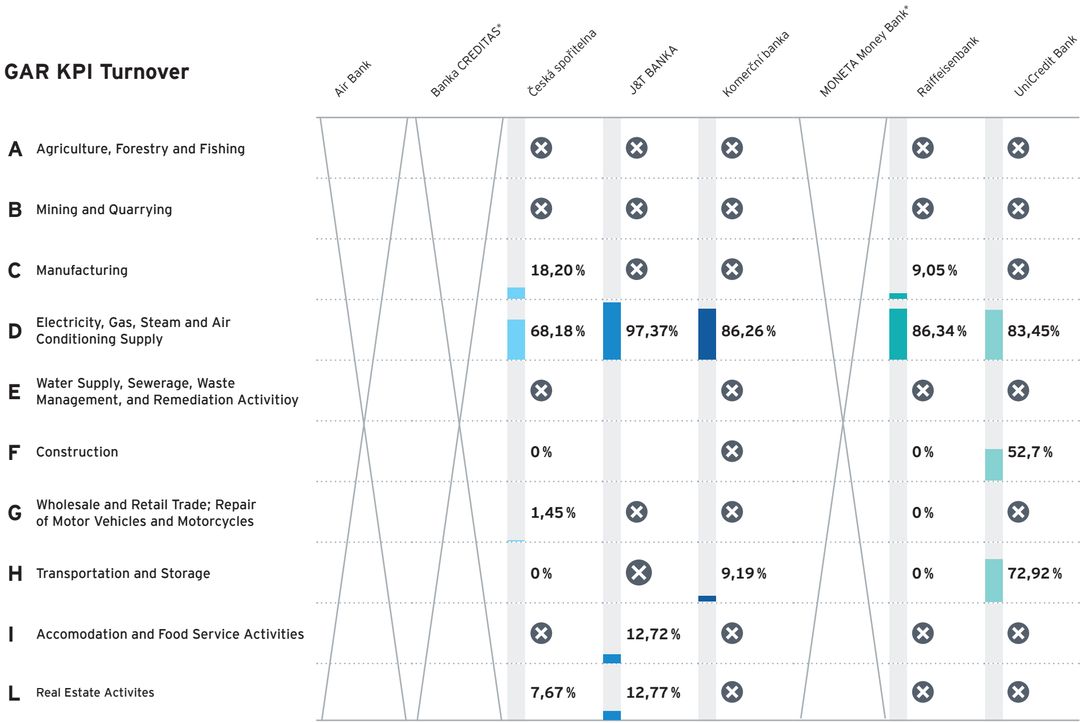

GAR Households

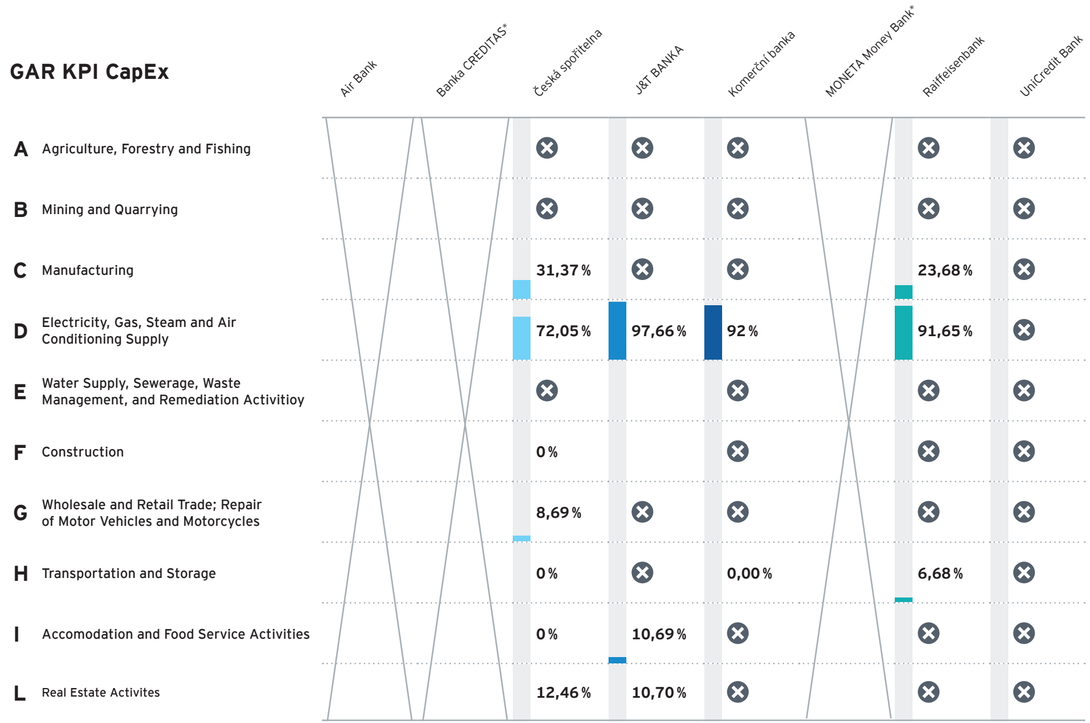

%

GAR KPI Turnover

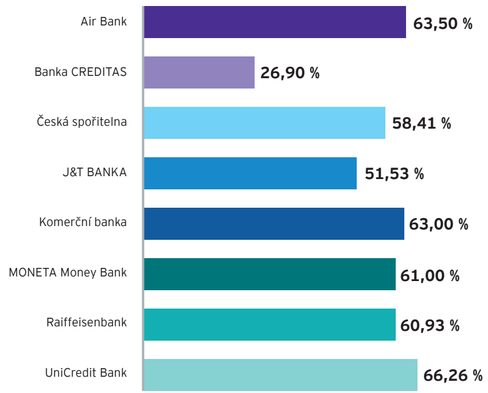

GAR KPI CapEx

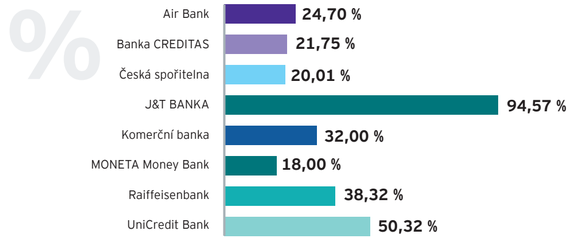

We calculated the GAR for each sector as the percentage of the sum of all environmentally sustainable activities in that sector relative to the total gross accounting value of that sector.

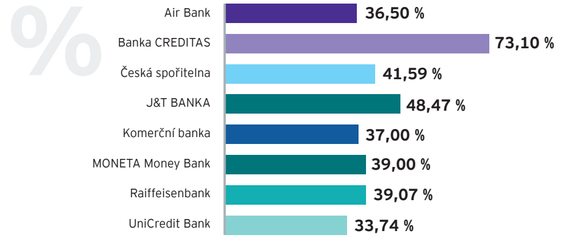

Assets included in GAR KPI out of the bank's total assets

Assets excluded from numerator

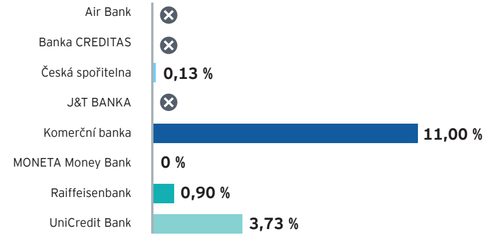

Assets excluded from denominator

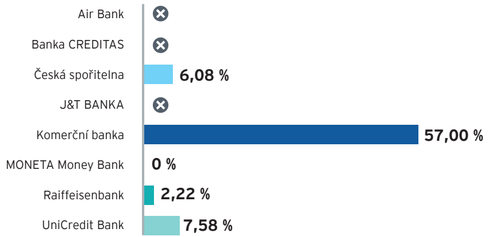

Off-balance-sheet exposure GAR

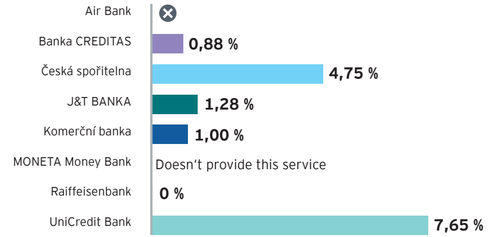

Financial guarantees (Turnover)

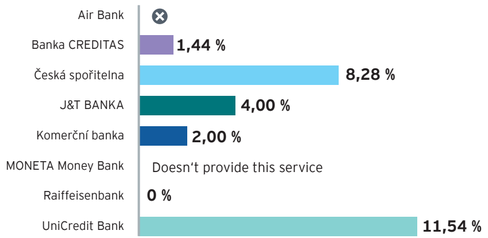

Financial guarantees (CapEx)

Assets under management (Turnover)

Assets under management (CapEx)

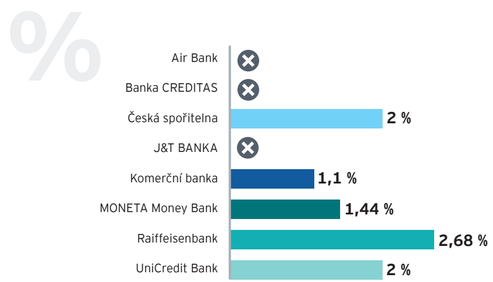

Social

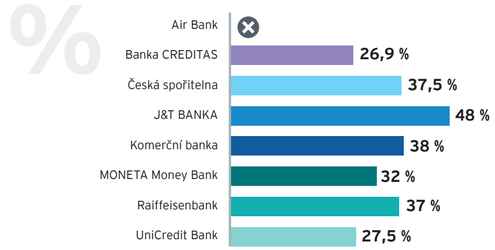

Only two banks set up their minimum wage above legal limit

Gender Pay Gap is driven by disproportionate representation of women in management of banks

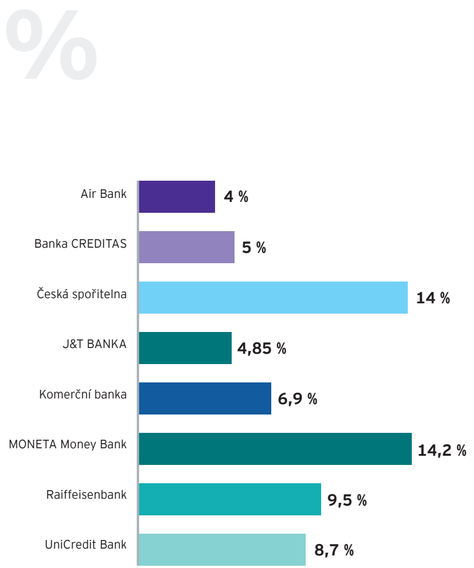

Adjusted Pay gap

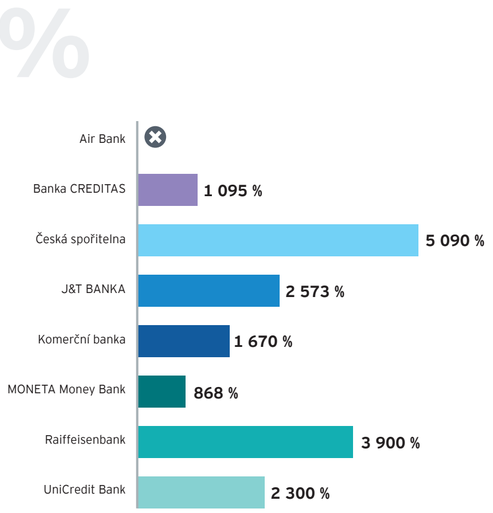

Unadjusted Pay gap

Share of part-time work in total employment

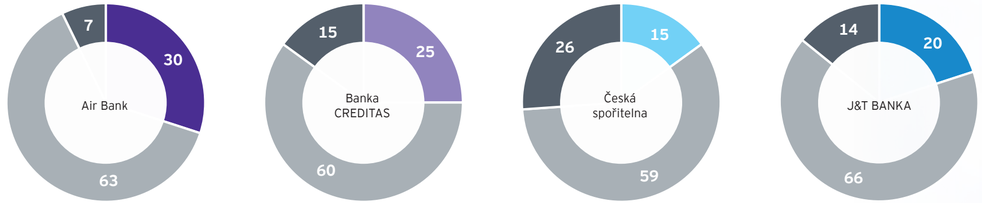

Ratio of the total annual remuneration of the person with the highest remuneration to the median of the total annual remuneration of other employees

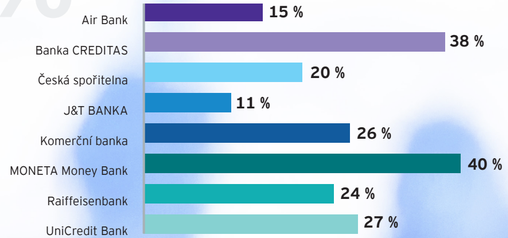

Share of employees / age

%

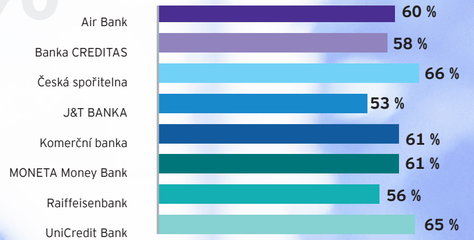

Proportion of women in top management

%

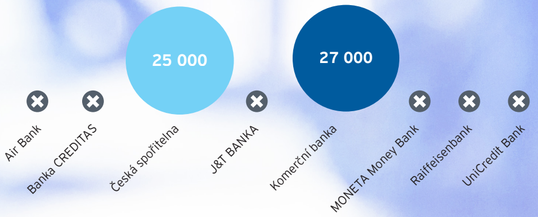

Percentage of women in the Bank's total workforce

%

Minimum wage

CZK

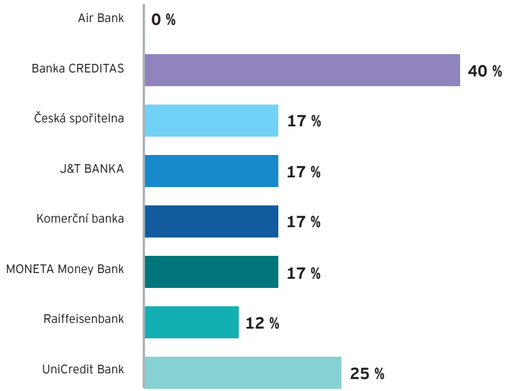

Governance

ESG-related KPIs still remain to be implemented for many board members

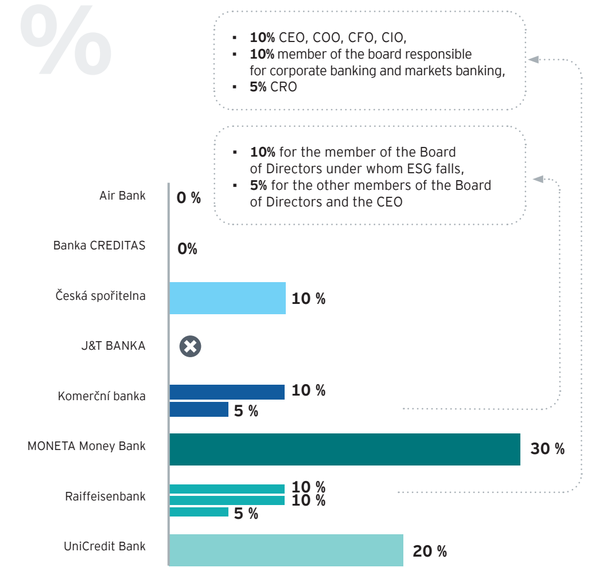

Remuneration of members of the Board of Directors and Supervisory Board for ESG KPIs

Percentage of women on the Board of Directors

What % is the remuneration of the Management Board and Supervisory Board members for ESG KPIs
